

# A Student Activity Center of Basavakalyan Engineering College

A Student Activity Center (SAC) or Student Union is a campus hub that serves as a community center for students, faculty, staff, and alumni, offering a variety of programs, activities, services, and facilities.

## Organizational Structure:

The SAC consists of a team of student representatives who are elected to manage different aspects of the cell. The team typically includes a SAC Convener, Faculty advisor and student coordinators for various activities. The SAC of BKEC contains 06 clubs working with different dimensions as mentioned below.
